ABOUT ME

My name is Kelsey and I am a blogger. In a matter of 4 days I became a widow and then a mother. I want to inspire others by sharing my story. I learned about life, love and to appreciate every moment. I had the absolute perfect life before my world came crashing down. Now, I am learning to navigate my new world. I am currently writing from the Children's Hospital in Minneapolis where my son is on life support following open heart surgery.

OUR MISSION

The term "letterhead" is often used to refer to the whole sheet imprinted with such a heading me information as pre-printed stationery but without the additional costs involved. but without the additional costs involved he same information.
